OBJECTIVE

Software Engineer with expertise in Java, Spring Boot, SQL, REST APIs, and Automation Testing. Contributing in development, application support, database management, and automation testing in Agile environment.

TECHNICAL SKILLS

Languages	Java, C, SQL
Frameworks/Tools	Spring Boot, REST APIs, React, Git, Microservices, Postman, IntelliJ, Selenium

EXPERIENCE

Programmer Analyst Trainee	July 2025 - Present
Cognizant Technology Solutions	Chennai

- Working on **Elsevier's ScienceDirect** research publishing platform and contributing to development and maintenance activities for SCT(Smart Collection Tool) application used in managing ScienceDirect platform operations.
- Developing and enhancing application functionalities using Java, SQL, REST APIs, and enterprise application technologies.
- Resolving client and user support requests by identifying, troubleshooting, and fixing application issues.
- Developing and maintaining automation test scenarios to ensure application stability, functionality, and performance.

Java Full Stack Intern	Mar 2025 - June 2025
Cognizant Technology Solutions	Chennai

- Developed a **Library Management System** using Java, Spring Boot, React, SQL, and Microservices architecture.
- Designed and implemented RESTful APIs for book management, member management, and issue/return operations.
- Implemented authentication and performed API testing using Postman. Participated in debugging, testing, and optimization of backend services.

PROJECTS

Banking Management System

- Designed Banking Management System using Core Java and SQL for managing customer accounts and banking operations.
- Implemented functionalities such as account creation, deposits, withdrawals, balance inquiry, and transaction history with proper data validation and error handling.

CERTIFICATIONS

- GitHub Foundations (GH-900).
- AWS Certification.

EDUCATION

C V Raman Global University | 2021- 2025

Bachelor Of Technology in Information Technology | CGPA: 8.25/10

Sri Guru Nanak Public School | 2019- 2020

Higher Secondary (CBSE) | 93.8%
